IN TEAMS

and
why!

GRADES IN TEAMS VS BLEND

TEAMS

- Our official gradebook

BLEND

- Not the official gradebook
- It's like our digital classroom. It contains our learning activities, but not *everything* will be counted as a “real” grade.
 - We want kiddos to feel free to make goofs as they explore, express, and learn! Some assignments are meant just for that.
- Use it to monitor progress and task completion.
- Receive feedback by clicking “Grades” and clicking the comment icon if available

PUSH
Yourself
TO BE
GREAT

The image features a central motivational message. At the top, the word "PUSH" is written in a white, rounded, sans-serif font inside a dark blue rounded rectangle. Below it, the word "Yourself" is written in a vibrant green, flowing cursive script. Underneath that, the words "TO BE" are written in a white, sans-serif font on a pink ribbon that has a slight 3D effect. At the bottom, the word "GREAT" is written in a large, bold, dark blue, rounded sans-serif font. The entire text is centered and surrounded by several dark blue, radiating lines of varying lengths, creating a sunburst or starburst effect.
